DANUBE **GROUP**

Established in the year 1993, Danube Group was founded and cultivated under the leadership of Rizwan Sajan, who is known to be the Founder and Chairman of the Group. Starting off as a small trading firm, the company is moving from strength-to-strength, expanding its foothold in the region, and has established itself as the No. 1 building Materials Company along with other branches under its vast umbrella. In 2015, the company recorded a turnover of AED 5.14 billion and has been growing ever since.

BRAND STORY

THE ORIGIN

“Of an Inspiring Innovation”

Every success holds a great story behind the frame. The story of started with its visionary founder Anis Sajan, who had the idea of creating the legacy of future inspired bathing style innovations. Breaking the white and chrome convention, the journey started with providing affordable luxury Sanitary ware, Tiles, and Hardware. Without compromising on the superior design, style, and functionality, became the answer to creating a style that hits home.

THE BEGINNINGS

“Of Simplified Comfort”

With Anis Sajan’s unwavering commitment only to “the best”, the brand is taking life to a new level of liveliness. This also meant that only the most skilled craftsmen were represented by with its inception. Inheriting the Italian style of creative rendering is contributing varying designs enhancing the wholesome bathing experience. Offering the most advanced product innovation, today the brand is widely known across the GCC.

THE IDEAL EXPANSION

“Of Transcending Products”

With the vision to help build marvels, the diverse portfolio of began to flourish. The bespoke ranges of sanitary ware further expanded to the category of Hardware, Electrical products, Tiles as well as Water purifiers. Being the trailblazer brand in the sanitary ware industry, gained more prominence and reputation for revolutionizing the comfort style of living with its exclusive collections.

THE MISSION CONTINUES

“Of Creating Timeless Elegance”

Understanding the latest trends and working with some of the best designers, the highest quality products have been launched by the brand using state-of-the-art-technology is known today for its premium bath & home solutions and continues the journey of excellence creating a new level of joy for a new you everyday.
