■ SPECIAL VARIETIES

■ BATHROOMS THAT MAKE A STATEMENT

DANUBE HOME

Our latest assortment of tiles brings together elegant design and versatile function to let your creativity soar. From refined floor patterns to striking feature walls, chic kitchens to trendy bathrooms, bring your living spaces alive with our intriguing creations.

A well-appointed kitchen and stylish bathrooms are essential to every home.

Make an enduring statement that captures your sophisticated taste and attention to detail. Our tiles add that dash of urbane expression that reflects your aesthetics.

FOREWORD

Kitchens and bathrooms are the spaces that turn a building into a home. These are special environments that have unique functional requirements and performance features. More importantly, these are the spaces that we rejuvenate in and replenish our bodies and spirits. It is with great satisfaction and pride that we bring you our 2019 Tiles,

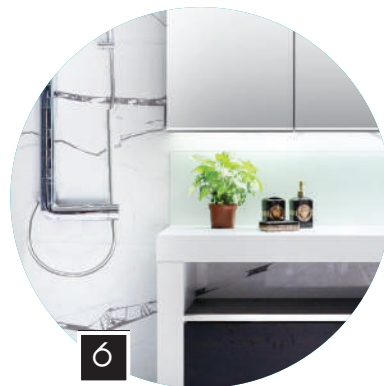

Bathrooms and kitchens collection.

We set ourselves the task to create an assortment of products that bring together the finest in quality, pleasing aesthetics and uncompromising performance.

We believe we have come up with our best collection yet.

We are excited to invite you to browse these pages and let your imagination be stirred. Find that one accessory to bring your space alive or choose an entire ensemble that strikes your fancy. Indulge!

TILES

The 2019 Danube tiles collection has been created to give your dreams and creativity wings. These sophisticated designs, impeccable performance features and versatile looks let you create spaces to an exacting standard. From breathtaking floors to attention grabbing feature walls, this range of tiles will breathe your own unique style into your kitchens and bathrooms.

Your kitchens and bathrooms must not only make a stylistic statement, they also need to be robust to far greater changes in temperature, humidity and other stresses, than your other spaces. We recommend our 2019 tile selection as a stylish, durable solution that delivers immaculate quality and affordable luxury.

KITCHEN

MELAMINE FINISH

Simple but stylish, the flat-panel cabinet door is void of any expensive details. Its hard lines and minimalist form make it a great fit for contemporary and modern interiors. Many flat doors come in decorative laminate or wood. Laminate tends to be more budget friendly and offers a greater variety of colors and sheens.

48 Color options to choose from

LACQUER FINISH

Your cabinet door style can be one of the most important factors in your kitchen's new design. Not only are cabinet doors one of the most visible design elements in a kitchen, but they can also be one of the most expensive. From the elaborate to the simple, there's a door style for every home design. Take a look at some of the better-known styles here and see which will work for your home's style and your budget.

48 Color options to choose from

ACRYLIC FINISH

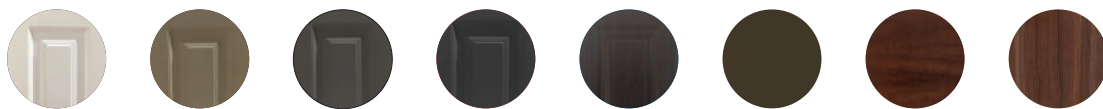

Premium MDF particle board with an acrylic laminate for high gloss and smooth texture. Stainless steel hardware, aluminium skirting and PVC legs complete the ensemble.

48 Color options to choose from

PVC FINISH

This classic style can work with a variety of budgets, depending on the wood used.

48 Color options to choose from

ACCESSORIES

IR MOTION SENSOR & LIGHTS

Description:

Milano Sensors switches on/off the lights automatically when someone enters/leaves the room, surface mount IR motion sensor switch with complete 360 degree detection angle. Enables connected lights to switch on automatically & then stays on until the person leaves the room and then switches itself off when the room is unoccupied, Milano ceiling lamp is designed to provide the lightings for the outdoor usage with IP-54 ratings. These lights comes in two versions (with sensor and without sensor).

The sensor lights will turn on the light automatically when you pass by and turn off automatically when you leave off. These sensor lights can be adjusted the time delay, lux level of the light and the detection range as per your requirement.

Product Features:

1. Detection Angle:360 degree
2. Detection distance:Max 6M
3. Adjustable Lux
4. Sleek & elegant design suitable for surface & concealed ceiling

Application:

Bathrooms, Kitchens, Balconies, Lobbys, Offices, Store rooms, Passages, etc.

STYLISH SWITCHES WITH EFFICIENT HOME CONTROL SOLUTIONS!

Flame retardant Low Noise Unbreakable

- 12 years quality assurance for mechanical life
- 3 Major technical innovations
- 4 Kinds of high - quality materials
- 5 Levels of security guarantee

Product Features:

- Flame retardant uv light stabilized, anti oxidation
- High power silver alloy contact
- Nylon 66 provides high mechanical strength and self lubricating properties to enhances switch life
- Integrated tin phosphor bronze inserts
- Double anodized aluminum alloy surface frames

Also Available:

Brushed Gold
